Dear Ron:

You have absolutely one of the best staffs in the entire world! Exaggeration? Not from OUR point of view!

We want to thank you from our hearts for Clear Channel's assistance in promoting our Summer Sizzlers: Rebecca St. James, Charlie Daniels Band, Don Williams, and all the other TRAHC/Perot Theatre Series shows during this past year - including your great, great support for JUMP! JIVE! & JAMFest.

Andi Darby - number one sales lady, community and TRAHC cheerleader - WOW! Wes Spicher - what a delight and charmer - always a come-on-in smile. Lisa Lindsey and Jeff Easterling - love how they bounce off each other and let me kibbitz their show. Phil O'Brian - clever, original, and a super "go-the-extra-mile" production person. Jack Baill - enjoyed meeting him and working with KOSY again. And, absolutely not to leave out Mario Garcia - it's wonderful to always be welcomed on his show any time.

You have a staff of consummate professionals... and it shows - on the air and in person. We thank you...appreciate you...and look forward to working with Clear Channel Radio for many years to come. As for a personal thought? Bless you...every single one!

Dear Ron:

I would like to thank Clear Channel Radio for their help in presenting the 22nd Annual Quadrangle Festival. The stations helped the Texarkana Museums System raise important revenue for the operation of Discovery Place Children's Museum, Ace of Clubs House, and the Museum of Regional History. I sincerely appreciate your generous spirit that makes it possible for the Texarkana Museums System to serve over 60,000 people a year through high-quality educational and cultural programs and exhibits.

I would also like to commend the fine people of your staff who worked very hard to make the entire festival a success. Andi Darby, Jeff Easterling, Wes Spicher, Mitzi Dowd, Mario, and the whole staff were all very helpful and supportive of our efforts. It is always a pleasure to work with this group, and they are essential to our efforts. Please extend my thanks and appreciation to them.

Our community is fortunate to have civic-minded business like Clear Channel Radio, and I look forward to working with you and the stations' staff next year.

Once again, thank you.

Dear Ron:

Thank you so much for your support in helping promote the Great Texas Balloon Race. Due to your advertising efforts, the Great Texas Balloon Race was very much a success and our numbers of visitors showed an increase.

I hope that your association with the Great Texas Balloon Race is as meaningful to you as it is to the race. Your generous support helps make this event so great!

Our board of directors works very hard each year to make this the premier event in East Texas. Countless hours from dedicated volunteers and a lot of hard work is well worth it when the event is successful.

With sincere thanks from our board of directors.

Dear Mario and Maria,

Thank you so much for being Celebrity Waiters last Thursday evening at the Country Club. The event raised over \$4,600 for the Volunteer Center which will help us in our daily efforts to provide much needed services to our community. We could not have accomplished that without you two!

You made "Halloween in Hollywood" fun and entertaining for the guests and we appreciate your magnificent efforts. We want you both back next year around Halloween for this annual event. Thanks again.

RE: Texarkana Radio/Cable One/SpongeBob Fundraiser

Dear Mike, Fabienne and Michael:

Thank you for spreading the word about the "SpongeBob" photo shoot with children at WalMart Supercenter (TX) and during the Bandits hockey game on Friday, December 20, 2002. We were able to receive donations into our red kettles which enabled The Salvation Army to purchase gifts for children whose tags were not taken from the Wish Trees.

As God gave His only Son, Jesus, to us, we know that the spirit of giving is a symbol of His love. Upon learning about the shortage of toys, Cable One saw the need to give to the community and supplied us with a SpongeBob fundraising idea.

Again, thank you for telling the public about the fundraiser and for announcing live via your remote system at WalMart Supercenter. Michael B and Fabienne, you are such fun to work with! The Salvation Army appreciates all the coordinated efforts of the Bandits, Cable One and SpongeBob. With your help, more children were able to have a merrier Christmas.

Michael B (Brosius), Fabienne Thrash, Chip Bricker – such fun people to be on the air with! Alex Rain, Tiffany Taylor – both delights and always with come-on-in smiles. And, absolutely not to leave out the ever-suave Jay Calhoun – it's wonderful to know I always have a welcome grin and sit-a-spell invitation to chat.

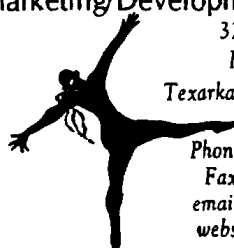

In all seriousness, you have a wonderful staff of consummate professionals (including the hard-working Jan Adams who takes such good care of our ads and placements!) Dear Fabienne,

On behalf of the Muscular Dystrophy Association and those we serve, our sincerest thanks for your participation in the Four Points Hotel Lock-Up. The event was a great success, with total pledges of over \$53,781! This certainly would not have been possible without your commitment and pledges.

The money raised from this event will benefit hundreds of families in the Texarkana area with neuromuscular disorders. The funds will be used to help provide much-needed program services, such as our clinic at LSUMC, support group sessions, MDA summer camp for children and research.

It's people like you who give hope to those with neuromuscular diseases. Thanks again for your support.

Special thanks to Fabian for taking

You all are greatly appreciated for

Through your generous support, Bringing Hope Home 2003 was
our most successful ever, raising over \$165,000 to purchase state-
of-the-art technology for the Wadley Cancer Treatment Center.
In the next few months, we will add IMRT (Intensity Modulated
Radiation Therapy) to our cancer fighting arsenal - allowing our
Radiation Oncology team to deliver the maximum dose of
radiation to the tumor while minimizing the effect upon
surrounding healthy tissue.

On behalf of the Wadley Foundation and Guild, thank you for
enabling us to continue to provide exemplary healthcare to our
region through Wadley Regional Medical Center.
